REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Pepperhill Elementary School, under new leadership in 2003-04, we organized a climate of performance excellence in which student achievement will climb to new heights. Our staff, parents, and students created and implemented a Turnaround Plan to address areas of weakness identified throughout the school. We have pinpointed the areas of Literacy, Assessment and Diagnosis of Student Learning Needs, High Expectations of all Partners, Early Childhood Initiatives, School Learning Environment, and Organizational Structure as our targets to increase student achievement as measured by PACT over the next four years. Teams of staff members, parents, and administrators spent the first year of our Turnaround efforts gathering data and setting goals for each of these targets. Major programs which address student achievement offered in 2003-04 include: Accelerated Reader, Literacy Coach (grades 1-3), SOAR to Success reading comprehension program, Reading Soul Mates, STARR Students, Character Education, School to Career initiatives. Power Lunch, STAR Reading and Math, small group academic assistance for students with deficiencies, Homework Help, Saturday Academy, and computer assisted instruction. Special services available to all students were provided by a full-time Registered Nurse, mental health counselor, guidance counselor, and student concern specialist. Staff development focused on research-based Best Instructional Practices, Building Learning Communities, Standards in Practice, classroom management/ Discipline with Dignity, and Write Traits. Many teachers completed additional coursework in such areas as literacy, technology, administration, and counseling. We are ready for the challenges that lie ahead of us. Through continued partnerships between Pepperhill Elementary School parents, community members and staff, we expect increases in student achievement.
